

TELL US YOUR STORY IN OBJECTS!

1) PICK AN OBJECT

Select an object that's meaningful to you with a connection to Wisconsin's past. Being able to pin the object to a particular location can be especially useful.

3) MAKE CONNECTIONS

Think about how the object connects to Wisconsin history. Why is the object meaningful to you or your family? What does the object say about Wisconsinites of the past?

WANT TO LEARN MORE?

If you want to do more research about your object and submit a full history to Wisconsin 101, check out our [submission guidelines](#). We're always looking for new authors!

2) DESCRIBE THE OBJECT

Take a few pics and gather some information about the object like what it's made of, who made it when and where.

4) SUBMIT YOUR STORY

Go to our [submission form](#) and tell us about your object. You can submit pics, locations, and a paragraph telling your object's story. Check out [our website](#) for an example.
